

MONART

DRAWING FOR KIDS

WHAT IS MONART?

Monart is a directed drawing program that will teach your child fundamental drawing skills through an easy step-by-step method. Our guided drawing lessons provide a good balance of structure for success and freedom for individual creativity, building your child's confidence and self-esteem, in addition to their art skills.

SESSION 1: BABY ANIMALS

Examples: Baby Pandas, Monkeys, Kittens, Puppies, Goats, Koalas & much more!

In this session we'll learn fun facts about baby animals and learn how to draw them using the Monart method! Students will learn how to use a variety of mediums such as colored pencil, markers, chalk & oil pastels, watercolor and mixed media. Students will vote on the lesson plans taught for this theme as a group. Each week a fun fact sheet will come home accompanying a completed drawing.
