

# MONART

## DRAWING FOR KIDS

### WHAT IS MONART?

Monart is a directed drawing program that will teach your child fundamental drawing skills through an easy step-by-step method. Our guided drawing lessons provide a good balance of structure for success and freedom for individual creativity, building your child's confidence and self-esteem, in addition to their art skills.

## SESSION 3: FANTASY & FICTION

**Examples: Unicorns, Phoenix, Gargoyles, Pirates, Faeries, C.S. Lewis, Tolkien, etc.**

Together we'll explore a world of fantasy and literary fiction as we draw some of the creatures that legends are made of! A variety of art techniques will be covered and we will experiment with several different art mediums. Each week an educational fact sheet will come home along with a completed drawing.
